A Blissful Season of hope!

In a meeting held last Wednesday, 7 December 2011 with Dr. Cynthia Arcadio and some principals from the different MAPSA diocesan school systems, the following were discussed:

1. In response to the DepEd Order No. 76, s 2010: Policy Guidelines on the Implementation of the 2010 Secondary Curriculum (SEC 2010), there will be a **FREE training series** (inclusive of boarding and lodging) **for 1<sup>st</sup> & 2<sup>nd</sup> year high school teachers and subject area coordinators** with Dr. Cynthia A. Arcadio, President of Phoenix Educational Foundation Development Center (PPHEFI).
2. Those interested schools must submit the following to the PEFDC **on or before Wednesday, 14, December 2011:**
  - 2.1. CEM, APSA or any standardized test result.
  - 2.2. Copy of unit plans in all discipline.
  - 2.3. List of all UbD trainings and other trainings, inclusive of duration, speakers and topics your faculty members have attended.
  - 2.4. Names and position of attendees (please be definitive of the numbers, so we can ascertain attendees, and give slots to other schools).
3. Schedule of training shall be as follows with a very limited slots available (since those present in the meeting already reserved their slots), and thus immediate response is needed:

| Cluster | Slots Available | UbD leveling Off   | UbD – Subject Area Training |
|---------|-----------------|--------------------|-----------------------------|
| I       | 105/pax         | 6-7 January 2012   | 3-4 February 2012           |
| II      | 80/pax          | 13-14 January 2012 | 10-11 February 2012         |
| III     | 90/pax          | 20-21 January 2012 | 17-18 February 2012         |

Please take note that reservations must meet both the January and February cluster dates. This means that one reservation will not work. And priority is given to those who make early reservations.

The MAPSA Execom and CIS find this program very vital for the development of our faculty members. This will also serve as a respond to the call of the Department of Education in the full implementation of the new curriculum framework.

We appreciate your prompt response. Please send your reply through the slip attached herewith to the Phoenix Educational Foundation Development Center, 927 Quezon Avenue, Quezon City, with telefax number 332-5683, through (PPHEFI) Special Project Coordinator, Mr. Allan D. Salcedo **on or before Wednesday, 14, December 2011.**

**Thank you very much in advance.**
