RE : WORKSHOP

---

Greetings!

MAPSA as an association has gone a long way in improving Catholic education in diocesan and parochial schools in Metro Manila. It is beginning to find its niche, if not already, as an association that promotes quality Catholic education with a social conscience. As any dynamic learning organization some relational, functional and process concerns have surfaced. As we pay attention to standards, let us also focus relatively to the deeper yearning to engage in soulful teaching and learning. I am inviting you to a workshop to address our concerns so that together we may create new forms of authentic education that touches everyone's inner life in school and spurs social responsibility in communion and solidarity as an association. This is to be held

on **Wednesday, 24 September 2008**  
at **9:00 a.m. – 4:00 p.m.**  
at the **Coffee Shop of St. Paul University - Manila**  
*Pedro Gil St., Ermita, Manila*

The material which shall be used during the workshop is in the MAPSA BOT (August 29, 2008) materials folder, pp. 37-42. Please study it with great care, reflection and attention.

Your personal presence will make a difference in creating the future of MAPSA. Dr. Belen de Jesus shall facilitate the workshop. Your favorable response shall be highly appreciated. Please confirm participation on or before **September 16, 2008** with **Chris** at **564-3712 to 13 to 564-9445**.
