Re : **MA PROGRAMS OF MAPSA**

Greetings in the Spirit!

Finally, we thank the Good Lord that De La Salle University-Manila has finally granted our request for full scholarships in Math and Science in Basic Education **to those who will meet the standards and requirements set by DLSU**. Only the Miscellaneous Fees shall be required to settle by each enrollee, with the current practice of 1/3 sharing that still holds through. **The MA Program is set to commence Summer of 2012**. We can only avail of this however, if we have at least 15 enrollees and a maximum of 30 per program. Classes will be held in a designated MAPSA site, except during summer when classes are held at DLSU.

Dr. Roberto Borromeo, Dean of DLSU Graduate School who coordinates the Program, need to the list of applicants **on or before Thursday, 01 December 2011**, for immediate processing.

Thank you. God bless!

*(Before applicants go to DLSU, please forward the list to Mr. Morris Aguilar of the MAPSA Office at 564 3712-13, 564 9445 or by email: maui\_fym3@yahoo.com for the endorsement of Msgr. Gerardo O. Santos)*
